

Inn to Pets Staff —

Words cannot begin to express my thanks and deep gratitude to all of you. Last month during Hurricane Sandy, I was evacuated from my house because of a tree that was very close to coming down, potentially on my house. With not a clue what to do in that moment, I turned to you all to care for my dog Callie for a few days. During that time, it put my mind at such ease to know she was safe and being well cared for.

I have been bringing Callie to Inn to Pets for nine years now, since I moved to Ohio. You have been such a blessing for me & Callie — and I always feel comfortable leaving her with such warm, loving people. Thank you, Thank you, Thank you!!!

Happy Thanksgiving to all of you...

Colleen
